MESSAGE FROM FAMILY LEARNING MENTOR

The Parenting Team offer a range of support options for parents and carers across the Shropshire Council area. They offer one to one guidance, group sessions, online learning, or practical resources. If you prefer to talk, you can speak to a Parenting Practitioner who will call you back within five working days on 01743 250950. Any of our families who live over the border in Shropshire can access this.

They will be running Sleep Tight and Understanding Your Child (from toddler to teen) workshops that can be accessed via face to face groups or Teams online.

Thanks

Anti-Bullying Week

Next week is National Anti-Bullying week! The children will be doing lots of activities in school linked to learning what bullying is and what to do if they ever feel they are being bullied. They will learn about the difference between falling out with friends and one-off incidents compared to a pattern of bullying. At Tenbury Primary we have a zero tolerance to bullying, so please let us know if you ever think your child may be having difficulties - if we know we can do something about it! Kidscape have a new resource for parents and carers which has practical ideas to help you start conversations at home. It's for every family, whether or not your child is experiencing bullying.

I am a Parent or Carer | Help With Bullying | Kidscape

DURING Anti-Bullying week, our children from Year 1-Year 6 will be taking part in virtual assemblies with the NSPCC through their 'Speak Out Stay Safe' programme, see separate letter for further information. Which all children have been given a paper copy of.

WELL DONE EVERYONE

POLITE NOTICE

Last weekend there was an incident where a group of children were on the Burford School site playing football. There was damage to several saplings which had been planted recently and rubbish was left on the field. As a group of schools - Tenbury, Burford and THOA we are all reminding parents/carers that it is trespassing to enter a school site out of hours. We have reported this to our local policing teams. We would be grateful if you could ensure that any children who are out in the community independently do not access our local school sites. Thank you so much for your ongoing support - we know that working together will make a difference!

THANK YOU

A big thank you and well done to the following pupils who walked with Mrs Phelps in the parade on Sunday –

Remi (Y2), Thea (Y4), Rowan (Y5), Tyler (Y5) Thomas T (Y2), Aahliah (Y5) & Willis (Y5)
