

## **Bright Bumblebees**

### **Maths**

We have been practising our 10x and 5x tables. The children have really grasped how they link to division. All children can now access TTRS, using their Numbots password. This can be done as well as or instead of Numbots. Also, 'Hit the button' game is great for speedy recall of times tables:

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

### **English**

This week, we wrote a newspaper report about a flood in Tenbury. I am so proud of what everyone's written, showing that they have learnt lots about newspaper report writing. We have also begun to explore poetry and how the language choices really help to create images in our heads.

### **Topic**

We have begun our new geography topic, India. To kick-start the topic, we smelled and tasted some traditional Indian spices and foods. We also recapped our knowledge of the 7 continents and identified where India is on a world map. Everyone should now have their new POWer Project.

### **Useful websites**

This week's Bright Bumblebees are. **Carter, Camden and Ada.**

Have a fantastic weekend!

Mrs Hickman 😊
