

Friday 27th March 2026

Dear Parents and Carers

This week we have been thinking about Easter. Easter is a very special Christian festival that celebrates new life and remembers Jesus. We made rice crispy cakes for snack by melting chocolate and mixing with cereal. We added raisins, marshmallows and sprinkles. In maths we have been learning about 3D shapes, including sphere, cylinder, cube and cuboid. We have found the names of some of the shapes a bit tricky and need lots of practise.

After Easter we are thinking about life cycles - starting with the life cycle of plants such as runner beans and sunflowers. We are continuing with The Three Billy Goats Gruff story as our Talk 4 Writing story. We will then be moving on to Jack and the Beanstalk.

Our phoneme of the week is K for Kangaroo and in our maths we are thinking about ordinal numbers (1st, 2nd, 3rd etc) Our rhyme of the week is The Tiny Seed was Planted (to the tune of Incy Wincy Spider).

The tiny seed was planted,
In the ground one day,
Down came the raindrops
To wash the soil away,
Out came the sun
And it shined all around.
And the tiny seed sprouted
From the fertile ground.

On behalf of all the Nursery Staff, I wish you all a Happy Easter. Please send us photos of what you have been up to over the holidays.

Regards
Mrs Price and the Nursery Team

Please Remember

- Your contribution towards snack

Key Dates
