

TIGER CLASS

In English, Tiger Class have been innovating paragraphs for a biography about Roald Dahl. The children have also edited and improved their writing. During this week, the children have also been recapping on areas of punctuation and grammar.

In Maths, Tiger Class have been recapping areas of Maths which they are not confident. The children have been revising fractions, percentages, rounding. Tigers have also worked together to solve multi-step problems.

During the afternoons, Tiger class have spent time in Science learning about plant classification. They went out into the school grounds to find plants that would fit in each group.

In History, they learnt about the Greek Myth 'Perseus and Medusa' and in Art they designed their own Greek mythical creature.

Tigers have also completed comprehension questions and discussed the parable of 'The Tenants in the Vineyard'.

Homework Club has now finished due to it being a Bank Holiday on Monday. It was fantastic to see so many of the children attending and I know they enjoyed the drinks and biscuits. However, it is now time for me to give up my waitressing duties. A huge thank you too, to Mrs Phelps for her support during these sessions.

Well done for earning a certificate to: Orla, Reece, Levi and Sonny

Have a great Bank Holiday weekend!

Mrs Gittens and Ms.Archer
