

## Bright Bumblebees

### Maths

We have finished our unit on fractions but please keep practising how to find  $\frac{1}{2}$  or  $\frac{1}{4}$  of a number. To find a quarter, most children prefer to half the number and then half it again.

### English

We have 'innovated' our Tear Thief stories. We have described our character using a sentence of 3 (3 things described in one sentence) eg. *She had short spiky hair, big grey eyes and bright red lips.*

I have loved reading everyone's stories so far. I can't wait to finish them next week.

### Topic

We have started our new topic- Famous Five. During this topic, we explore historical women from the past and find out how they have had an impact in the world. This week, we learned about Queen Elizabeth I.

Our new POWER project is called 'Superheroes'. This will hopefully give children the opportunity to find out more about people who have helped to make changes in the world.

### Useful websites

This week's Bright Bumblebees are **Camden and Chloe**.

Have a fantastic weekend!

Mrs Hickman 😊
