

## Legendary Lions Newsletter

Friday 8<sup>th</sup> May

### English

In English this week, we have wrapped up our suspense story unit and have written our hot tasks. We have written some fantastic stories, with hooking characters and plots!

We have started our new unit on discussion texts. We were given a question 'Should Children Have Homework?' to think about and shared our opinions in a class debate!

### Maths

In maths this week, we have started a new unit on time. We have been recognising and using Roman Numerals and telling the time to the nearest minute.

This term we are continuing to focus on learning our 3s, 4s and 8 times tables.

### Science

This week in science, we checked on our plants from last week. We had put one plant in a plastic bag and left one plant free to find out whether plants need air to grow and what would happen if a plant had no air.

We found that our plant had started to die due to a lack of food produced, as the leaves need air to help them to produce food for the plant.

### Topic

This week, we were identifying and researching mountains in Europe. We looked at Mont Blanc, Mount Etna and Mount Elbrus and found out lots of fascinating facts!

We have also been creating some beautiful artwork of St Basils' Cathedral in Moscow linked to our Europe topic.

### PE Days

Just a reminder, our PE days are now **Monday** and **Friday**.

### Homework

Please try to read at least **4 times** a week at home and record in reading records, practice spellings each evening and complete **15 minutes** of TTRS each week. This will be checked every **Friday**.

Well done to Verity and Thea for achieving certificates this week!

Have a lovely weekend,

Mrs Wall
