

## **Bright Bumblebees**

### **Maths**

We have begun to tell the time. This week, we have learnt to tell the time to o'clock, half past, quarter past and quarter to and minutes past the hour. Keep practising at home! You could use [Teaching Clock](#) to help you.

### **English**

What super stories the Bumblebee class have written this week! They have described the Tear Thief brilliantly and have begun to create their own thief, such as a nightmare thief or a worry thief. Next week, we write about them!

### **Topic**

This week, we explored a simple family tree to show whose parents were Queen Elizabeth I's. It would be great for children to understand a little more about their own family tree. We also sketched portraits of Queen Elizabeth, remembering her serious face and big red hair!

### **Useful websites**

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

This week's Bright Bumblebees are **Carter, Ada and Imogen**.

Have a fantastic weekend!

Mrs Hickman 😊
