

Legendary Lions Newsletter

Friday 15th May

English

In English this week, we have been learning and creating a text map for our class discussion text, 'Should Children Have Homework?'. We have also been identifying and practising the features of a discussion text, such as rhetorical questions and fronted adverbials.

Maths

In maths this week, we have been converting analogue time to digital, using am and pm, and using different units of time such as years, months and days.

This term we are continuing to focus on learning our 3s, 4s and 8 times tables.

Science

This week in science, we are investigating the question 'Do plants need space?'. Each group planted 2 pots of cress, one with lots of seeds, and one with a few seeds. We will check back next week to see if our cress has grown, and to check which pot has the most cress!

Topic/Art

This week, we have been using our choice of media to create an A3 picture of a European monument in the style of artist Ginette Callaway. This meant using lots of bold lines and bright colours! The final pieces looked amazing- well done everyone!

PE Days

Just a reminder, our PE days are now **Monday** and **Friday**.

Homework

Please try to read at least **4 times** a week at home and record in reading records, practice spellings each evening and complete **15 minutes** of TTRS each week. This will be checked every **Friday**.

Well done to Archer and Poppy for achieving certificates this week!

Have a lovely weekend,

Mrs Wall
