

Class Weekly Newsletter

Delightful Dragons

This week we learnt all about the life cycle of a frog. We talked about the changes that take place from frogspawn, to tadpole, to froglet, and then finally to frog. We read the stories 'Tadpoles Promise' and 'The Teeny Weeny Tadpole'. We also had fun singing the rhyme 'Five Little Speckled Frogs'.

Next week we will be learning about the life cycle of a butterfly. We will be reading the story 'The Very Hungry Caterpillar' and talking about the changes that take place from caterpillar to butterfly. We will be discussing how fragile butterflies are and how we need to handle them as little as possible. We will be using mirrors to look at symmetrical patterns and then we will be creating our own symmetrical patterns using paint. We are very excited to have a butterfly garden, so that we can watch the caterpillars turn into butterflies.

We promise to watch them grow and then let them go!

Well done to Elliott and Ollie for achieving 'Dragon of the Week'. Also, well done to Jemima (Robins) and Teddy (Thrushes) for gaining the most 'House Points' in the class this week. Overall, the winning house for the most house points in the class this week is Robins. What a fantastic effort from everyone!

'Billy Bear' will be going home with Aubrey for the weekend. We hope you have a lovely time together. Don't forget to write in Billy Bears diary.

There is Forest Schools for GROUP ONE next week.

Have a lovely weekend

Mrs Baker
