

Class Weekly Newsletter

Delightful Dragons

This week, we learnt all about the life cycle of a butterfly. We read the story 'The Very Hungry Caterpillar' and talked about the changes that take place from caterpillar to butterfly. We used mirrors to look at symmetrical patterns and then created our own symmetrical patterns using paint.

Next week, we are reading the story 'The Very Busy Spider'. We will be creating an observational drawing of a mini-beast, focusing on the shape and finally adding shade. In Maths, we will be learning to tell the difference between odd and even numbers. We will be using spiders and their webs, (pretend of course) to help us.

Well done to Ezekiel for achieving 'Dragon of the Week'. Also, well done to Edith (Wrens) and Ariana (Robins) for gaining the most 'House Points' in the class this week. Overall, the winning house for the most house points in the class this week is Owls. What a fantastic effort from everyone!

'Billy Bear' will be going home with Ben for the weekend. We hope you have a lovely time together. Don't forget to write in Billy Bears diary.

There is Forest Schools for GROUP TWO next week.

Have a lovely weekend

Mrs Baker
