

Good afternoon Snakes!

This year, we will be dancing 'The Stetson Stomp' as part of the KS2 production of 'Ye Ha'. We are currently busy practising our dance which is going really well! Mrs Gittens has asked that for the play the boys should wear jeans and a checked shirt or coloured t-shirt (no football shirts or large logos please). Girls can either wear the same thing as the boys or a longer dress if they prefer. Costumes should be brought to school in a named plastic bag in time for the dress rehearsal (2nd week of July).

This week we worked hard to support one another as the children completed the government's multiplication times table check. The amount of progress the children have made this year is amazing (thanks to their hard work in school and at home). They have definitely been able to use this skill in their maths lessons to help them better understand what they are learning. Well done to all the children for their efforts and thank you to the family members who have supported them.

Our pupils of the week are:

The whole of Snake Class for working hard and supporting one another during our multiplication check.

Please remember to allow your child to practise their spellings at home. Your child is set the task of playing 5 games per week (approx 1 min per game), though as much practice as possible would be recommended to master this vital mental maths skill.

Finally, please remember to remind your child to read at home for a minimum of 10 minutes per day; a mixture of reading aloud and to themselves is preferable.

Many thanks and have a great weekend,

Mr Bell
