

TIGER CLASS

In English, Tigers have planned their own version of a story based on the animation of Alma. The children have written their stories and will go on to editing and improving their work, before writing a neat copy.

This week, Tigers have continued to answer a range of maths questions linked to arithmetic, reasoning and problem solving.

Tigers, during an afternoon, have started rehearsals for our end of year production. They are working hard to learn their lines and some of their accents are amazing!

Well done for earning a certificate to: Daisy, Betsy, Finley

Have a super weekend!

Mrs Gittens and Ms. Archer
