Dear Parents and Carers

This week we have been learning about the lifecycle of butterflies and and finally on Thursday our first butterfly emerged from its cocoon. We have shared the stories The Hungry Caterpillar, Butterfly Dance and Caterpillar Wish this Week. We have dug up our radishes and tried them for snack.

Next week is our sponsored walk week, raising funds to create a forest school area for nursery to safely use. Every day next week we will walk or run at least 5 laps of the field - or if the weather is wet, do some physical activity indoors instead. We are grateful for any donations you can make - please return all sponsorship forms and money by Friday 3rd July. Thank you.

Our story next week is What the Ladybird Heard and we will be thinking about the lifecycle of a ladybird. We have been finding lots of Ladybird larvae around school already so hopefully they will be turning into adult ladybirds soon.

Our rhyme of the week is Five Little Ladybirds.

Five Little Ladybirds

5 Little ladybirds climbing up the tree, one flew away then there were 4!
4 Little ladybirds playing on a rock, one flew away then there were 3!
3 Little ladybirds playing on the grass, one flew away then there were 2!
2 Little ladybirds smelling the flowers one flew away then there were 1!
1 Little ladybirds flying towards the sun, it flew away and there were none!

In our maths we are practising subitising - the rapid recognition of an amount of objects, also we will be learning about repeating patterns. Our phoneme of the week is the letter y for yes! A copy of the story, rhyme and how to write the letter y will be on google classroom.

Sports Day and Leavers Picnic.

We are holding our Nursery Sports Day on Friday 11th July at 11am. This will be followed by a leavers picnic which will be held in the Nursery Playground (or if wet in nursery.) There will be a short presentation for the children leaving. All welcome to attend.

Regards

Mrs Price and the Nursery Team
