

Good afternoon Snakes!

This year we will be dancing 'The Stetson Stomp' as part of the KS2 production of 'Ye Ha'. We are currently busy practising our dance which is going really well! Mrs Gittens has asked that for the play the boys should wear jeans and a checked shirt or coloured t-shirt (no football shirts or large logos please). Girls can either wear the same thing as the boys or a longer dress if they prefer. Costumes should be brought to school in a named plastic bag in time for the dress rehearsal (2nd week of July).

This week in our English lessons, we have been looking at an explanation text about jellyfish. During these lessons we have been using the text to write our own sentences using causal connectives and explanation language. We have also looked at rhetorical questions.

In our maths lessons this week we have looked at angles and shapes. During the angles lessons we looked at right angles, acute angles and obtuse angles. During the shape lessons we have looked at different types of triangles and different types of quadrilaterals.

During our Art lesson this week, we have created our final piece of our microorganisms. We used mixed media and different techniques to create our microorganisms.

Our pupils of the week are:

Olivia D: For fantastic creativity when creating her microorganism in Art.

Harry D: For supporting his learning partner and giving great answers in Maths lessons.

Please remember to allow your child to practise their spellings at home. Your child is set the task of playing 5 games per week (approx 1 min per game), though as much practice as possible would be recommended to master this vital mental maths skill.

Finally, please remember to remind your child to read at home for a minimum of 10 minutes per day; a mixture of reading aloud and to themselves is preferable.

Many thanks and have a great weekend,

Mr Bell
