

Bright Bumblebees

That was a warm week, wasn't it!

DT

This week we learnt to sew a running stitch! We threaded plastic needles using a threader and then used pre-holed fabric to practise the skill of sewing! Wow! Next week, we'll design a pouch and begin making them!

Maths

We have been practising number activities and related facts. For example, $5 + 5 = 10$. We say "5 needs 5 to make 10. 10 needs 5 to make 15. So 5 needs 5 to make 10".

English

We have begun to design a Parent Pleaser machine! We have considered 5 features of the machine such as, slipper dispenser, nappy changer, music player, breakfast-in-bed maker! I can't wait to read their completed explanations!

This week's Brilliant Bumblebees are **Jack** and **Sophie**.
