'Therefore encourage one another and build each other up'

Dear Parents/Carers

This year Tenbury Primary have joined the River School Project funded by the David and Christine Lloyd Jones Foundation. The aim of the project is for children to gain a better understanding of local rivers and the impacts they're having on us (e.g. flooding), learn how we better manage water and discover the part we can all play in protecting them.

On **Wednesday 1st July**, Bumblebee class have the opportunity to visit a local floodplain meadow to see some of the natural flood management work that is being done locally.

We will leave school on a coach at 9:30 and aim to be back by 11:30 at the latest. Transport is funded by the Severn Rivers Trust. Children need to come to school in school uniform and do not need to bring anything else.

Best wishes

Mrs Hickman
