

Good afternoon Snakes!

This year we will be dancing 'The Stetson Stomp' as part of the KS2 production of 'Ye Ha'. We are currently busy practising our dance which is going really well! Mrs Gittens has asked that for the play the boys should wear jeans and a checked shirt or coloured t-shirt (no football shirts or large logos please). Girls can either wear the same thing as the boys or a longer dress if they prefer. Costumes should be brought to school in a named plastic bag in time for the dress rehearsal (2nd week of July).

This week we participated in the KS2 Sports Day. There were lots of outstanding examples of resilience, perseverance and encouraging one another. The children had put a lot of effort into practising for the various races, it was a lot of fun to watch.

This week we have looked at how environmental problems such as plastic pollution can inspire artists to help raise awareness of important issues. The then created their own sketchbook responses to environmental issues.

In our maths lessons this week we looked at describing the translation of points and polygons.

During our French lesson this week, we looked at the different types of shops that exist in France.

Our pupils of the week are:

The whole class, for helping with the preparation of sports day and competing with enthusiasm and respect.

Many thanks and have a great weekend!

Mr Bell
