Friday 10th July

Tests

This week, the children have been completing their end-of-year assessments. They have completed arithmetic, reasoning and problem-solving, SPaG and reading papers. Every child has made fantastic progress since the start of the year, and they have all worked incredibly hard. They should be very proud of everything they have achieved.

DT

In DT, we have started designing and making our Anglo-Saxon houses. The children have been measuring and sawing wood for the frames. We are looking forward to continuing and completing our houses next week.

Topic

In topic, we explored the mystery of Sutton Hoo. The children learned about the famous Anglo-Saxon burial site, examined the evidence discovered there, and discussed what it can tell us about Anglo-Saxon life and why it remains such an important historical mystery.

Reading

This week, we finished reading *Alex Rider*. The children have thoroughly enjoyed the book and have shown great enthusiasm throughout. They have developed their retrieval, inference and prediction skills, using evidence from the text to justify their answers and discuss the events and characters in depth.

Well done to Billy and Charlie for achieving certificates this week!

Have a lovely weekend! One more week to go!
