

TIGER CLASS

Well done to all of the Tigers for their participation in Sports Day. It was a super morning and it was great to watch.

This week, Tigers have continued to complete activities which have recapped on their learning of maths and SPAG this year. The children have also been busy rehearsing for the play. All of the children have worked hard to learn their lines. A big thank to all parents/carers for their costumes.

Well done this week for earning a certificate to: Tiger Class

Have a great weekend!

Mrs Gittens and Ms. Archer
