

OTTERS CLASS WEEKLY NEWSLETTER

This week, Otters have started innovating 'Kidnapped.' The children have identified the language features required for each of their three paragraphs and the effect they have on the reader. Otters have then written their own changing the characters and setting and have edited and improved their writing.

In Maths, Otters have been recapping and extending their knowledge of column addition and subtraction. The children have been finding common factors and common multiples of two numbers.

In P.E, the children have been developing their basketball skills and balancing in gymnastics.

This week, the children have continued reading our whole class guided reading book "Clockwork," by Phillip Pullman.

Well done this week for earning a certificate to: Zak and Minnie.

Have a super weekend,

Mrs Gittens
