

Good afternoon Capybaras!

This week in our English lessons, we have been putting all of our hard work to use as we wrote our warning tales.

The focus of our maths lessons this week was to continue to build our understanding of place value through the use of rounding.

During our PE lesson this week, we worked on passing the rugby ball backwards while trying to avoid being tagged.

Our pupils of the week are:

Cleo W - For efficient reasoning and problem solving when rounding numbers to the nearest 10, 100 or 1000.

Verity H - For including powerful fronted adverbials and similes in her warning tale.

Well done to both of you.

Here are QR codes to help you access Accelerated Reader and Times Tables Rockstars at home.

QR Code to access Times Tables Rockstars

Please remember to allow your child to practise their spellings at home. As Year 4 children will also be required to take the government's mandatory times tables check during the summer term, practising their times tables on <https://play.ttrockstars.com/> is important. Your child is set the task of playing 25 games per week (approx 1 min per game), though as much practice as possible would be recommended to master this vital mental maths skill.

Finally, please remember to remind your child to read at home for a minimum of 10 minutes per day; a mixture of reading aloud and to themselves is preferable.

Many thanks and have a great weekend,

Mr Bell
