Dear Parents and Carers

This week our story of the week was Dear Zoo and we have been learning to recite the story. We have been talking about the different animals in the story, including the sounds they make. We have been singing the rhyme One Little Finger using language such as up and down. Our older children have extended this to left and right too.

As the weather has been nice we have enjoyed exploring outdoors and we have been collecting leaves, sticks and feathers to talk about and use in our artwork. We have been doing lots of fine motor activities this week such as cutting with scissors, using tweezers, using cotton buds to paint and of course play dough.

We also enjoyed riding the bikes and cars in the playground.

Next week our story of the week is Colour Monster, by Anna Llenas which looks at our feelings and our word of the week is colour. Our rhyme next week is Bumping UP and Down on a Tractor.

Bumping Up and Down on a Tractor

Bumping up and down on a big, red tractor,
Bumping up and down on a big, red tractor,

Bumping up and down on a big, red tractor,
Bringing in some apples.

Now change the colour of the tractor and choose a food the same colour as the tractor. Eg Yellow and bananas. A version of the rhyme and the story can be found on Google classroom.
