Dear Parents and Carers

This half term we are learning about different minibeasts and their lifecycles. We started this week by learning about ladybirds and our story of the week was *What the Ladybird Heard*. We were fortunate enough to find lots of ladybird larvae and pupa on the railings and tree near the bus bay.

We explored the different language used to give directions and how a map can help us find where we are going. Over the coming weeks we will continue to explore the story and use it for our Talk for Writing text this half term.

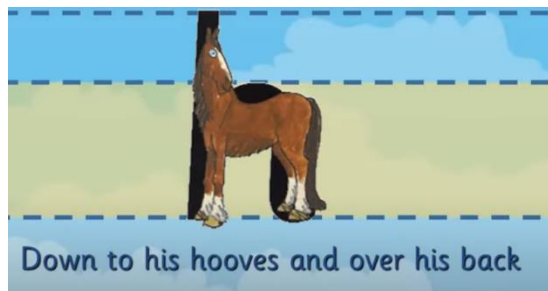

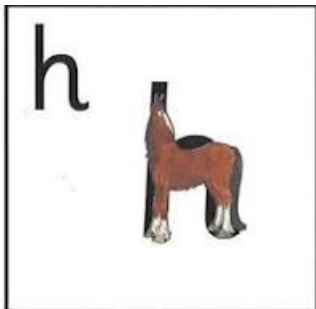

Next week we will be learning about bees and how some bees produce honey. Our story of the week is *The Greedy Bee* and our rhyme of the week is *Here Is the Beehive*. In maths we will be revisiting 2D shapes. Our letter of the week is H for hexagon. The rhyme of the week is *Where is the Beehive?* We will also be thinking about Father's Day and all that our Dad's do to look after us.

Where is the Beehive?

Here is the beehive
But where are all the bees?

Hiding away where nobody sees
Here they come flying out of their hive
One, two, three, four, five
Here is the beehive
But where are all the bees?
Hiding away where nobody sees
Here they come flying out of their hive
One, two, three, four, five
Buzz up high, buzz down low
Buzzing fast, buzzing slow
Buzz to the left, buzz to the right
Buzz all day but sleep at night
Here is the beehive
But where are all the bees?
Hiding away where nobody sees
Here they come flying out of their hive
One, two, three, four, five

A copy of the story, rhyme and how to write the phoneme h can be found on google classroom.

Regards
Mrs Price and the Nursery Team

Key Dates

Friday 20th June Non School Uniform Day—Bring a bottle for the Tombola 5pm
PTFA School Fete
