

Friday 27th June 2025

Dear Parents and Carers

This week we have continued to learn about caterpillars and butterflies. Our caterpillars have now become chrysalis and we are excitedly waiting for them to become butterflies. We are also pleased to say that our strawberries are starting to ripen, as well as our broad beans. We also had a surprise visit from a Scarlet Tiger Moth who decided to fly into nursery! We talked about the difference between moths and butterflies, as well as other nocturnal creatures.

Our story next week is Handa's Surprise. In the story, Handa carries seven delicious fruits to her friend Akeyo as a surprise but meets some hungry animals along the way. We will be learning about these different African animals as well as tasting some of the different fruits Handa had in her basket. Our rhyme of the week is The Fruit Song and our phoneme is V for violin. In our maths we are thinking about number and numerals.

Stretch: vvvvulture
Handwrite: Down a wing, up a wing

A copy of the story, rhyme and how to write the phoneme v can be found on google classroom.

Toddle Waddle

Week commencing 7th July we will be holding a daily toddle waddle. We are raising money for some new nursery blinds. Please see the letter sent home this week. Thank you.

Regards

Mrs Price and the Nursery Team
