

Friday 11th October 2024

Dear Parents and Carers

This week in nursery we have explored direction by using the Beebot robot and by moving our bodies in different directions, forward, backwards, left and right. This week we have also been practising our cutting skills with scissors and using different types of glue and tape in our junk modelling. Finally, we have been playing a range of instruments, following the rhythm.

Next week our story is The Little Red Hen and our rhyme of the week is Big Red Combine Harvester.

Big red combine harvester

Big red combine harvester, Big red combine harvester,
Big red combine harvester,
Chug, chug, chug, chug, chugging along.
Clattering on, combine harvester, Clattering on, combine harvester,
Clattering on, combine harvester,
Chug, chug, chug, chug, chugging along.
Gathering corn, combine harvester, Gathering corn, combine harvester,
Gathering corn, combine harvester,
Chug, chug, chug, chug, chugging along.

Our word of the week is **little** and in our maths we are thinking about sorting objects, including by colour.

Spare Clothes

Please ensure that you have a spare set of clothes in your child's bag in case they get wet or dirty.

Regards

Mrs Price and the Nursery Team

Please Remember

To return your Parents Evening Appointment Slip

To read the School Newsletter (see online)

To label shoes, wellies and coats. Thank you.
