

Class Weekly Newsletter Delightful Dragons

This week we have been learning about our sense of smell. We have had a very exciting time investigating lots of different smelly potions. We also had lots of fun using jugs to measure potions whilst learning about capacity (full, half full, empty, nearly full and nearly empty).

Next week we will be learning about our sense of taste. We will be making and eating popcorn, whilst learning about what makes the corn explode and change shape.

Well done to Addie and George M for achieving 'Pupil of the Week'. Also, well done to Adela (Robins) for gaining the most 'House Points' in the class this week. Overall, the winning house for the most house points in the class this week is Wrens. What a fantastic effort!

'Billy Bear' will be going home with Ezekiel for the weekend. We hope you have a lovely time together. Don't forget to write in Billy Bears diary. Thank you!

There is Forest Schools for GROUP ONE next week.

Have a lovely weekend

Mrs Baker
