

Class Weekly Newsletter
Delightful Dragons

This week we have been learning about 'The Circus', as well as Bonfire Night. We have had a very busy and fun time designing and making clown face pizza, as well as creating firework pictures using the technique of splatter painting. In Maths, we have been counting groups of objects.

Next week our theme is 'Rain and Storm'. We will be reading the stories Elmer and Elmer's Weather. We will be having an exciting week mixing primary colours (red, yellow, blue) to make secondary colours (purple, green, orange, brown). We will also be looking at the artist Jackson Pollock and learning about his 'drip technique'. In Maths, we will be learning that groups of objects that are not all the same, or related in any way, can still be counted to find out how many 'altogether'.

Well done to Ariana, Ollie and Ryder for achieving 'Dragon of the Week'. Also, well done to Freddie (Robins) for gaining the most 'House Points' in the class this week. Overall, the winning house for the most house points in the class this week is Thrushes. What a fantastic effort!

'Billy Bear' will be going home with Ben for the weekend. We hope you have a lovely time together. Don't forget to write in Billy Bears diary. Thank you!

There is Forest Schools for GROUP TWO next week.

Have a lovely weekend

Mrs Baker
