

Leopard Class Newsletter

In English we have been very busy writing our own innovated version of the Gruffalo. We have been working hard to ensure that we include finger spaces, full stops and capital letters, as well as trying to include adjectives to describe the characters.

In Maths, we have been concentrating on our number bonds to 10. We have enjoyed playing the game 'Hit The Button' to help us with this. If you would like to play this game at home, click the link below:

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

Select 'number bonds' and then 'make 10'. Have fun!

We have also continued our learning about 'capacity' and 'volume'. We used vocabulary such as: full, empty, nearly full, nearly empty and half full to describe how much water and sand was in a container. We then compared the capacity of different sized containers.

In our RE lesson this week, we learnt about the Jewish festival called 'Hanukkah'. The children then enjoyed decorating their own menorahs.

There will be NO Forest School sessions until January now as we have the Christmas Performance next Thursday afternoon (11th December) and the Christmas Party on Thursday 18th December. Thank you!

In our topic lessons we have learnt about the equator and how countries closest to the equator have a hot climate, and countries furthest away from the equator have a cold climate.

Our next DT project requires the use of shoe boxes so if you have any spare at home, please could we have them!

Homework

Please continue to try and read 3x a week at home and practise the spellings which are sent home on a Monday! Don't forget to access Numbots too!

Stars of the Week

Well done to Bonnie, Bradley, Floss and Hugo for receiving a certificate this week!

Have a lovely weekend!

Miss Dallow and Mrs Wright 😊
