

Bright Bumblebees

Maths

This week we have been counting in 2s, 5s, 10s and 3s! Hopefully, the children can still remember our song for counting in 3s.

It's still important for us to estimate numbers on a number line so please continue to play the game below:

<https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line>

English

I have been so impressed by everyone's story writing this week. They have loved showing off what they've written and should be extremely proud of themselves. Next week, we begin to look at non-fiction writing. 😊

Topic

This week we have learnt about George Stephenson. He was famous for developing railways and locomotives, most notably, the Rocket, with his son Robert. Next week we will learn about another famous historical figure.

This week's Bright Bumblebees are **Janek** and **Addison!**

Have a great weekend and see you on Monday!

Mrs Hickman 😊
