

Bright Bumblebees

Maths

We have been working out 10 more and 10 less. We used base ten to help us but some of us can now work these out in our heads. We also know how to add 20, 30, 40 etc to any 2 digit number!

English

We have some super poets in our class. This week we have been learning about shape poems and have drafted our own autumn shape poem. We have learnt about using similes and alliteration to make our poems sound amazing.

Topic

We have introduced our new topic, World War 2. This week, we asked lots of questions about the war and shared what we know already. We also looked at a timeline to understand when the second world war happened and then put key historical events in order.

Useful websites

We use lots of useful games and activities online and the children always ask how they can play at home. So, I have added some sites below that we have used recently in class.

<https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line>

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

https://musicplayonline.com/activities/virtual_instruments/game_files/glockenspiel/index.html

This week's Bright Bumblebees are **William** and **Hallie**.

Have a great weekend, everyone!

Mrs Hickman ☺
