

Bright Bumblebees

Maths

Wow! What a fabulous group of mathematicians we have! This week, we have been adding and subtracting, crossing 10. Eg, $23+48=$ $54-27=$

We encourage drawing base ten, using number lines and 100 squares to support us.

English

We have begun our new English unit- Beauty and the Beast. We have used lots of drama to imagine what it's like to be in a fantasy setting. We used language such as a whispering wood, tall towers reaching towards the sky and an enchanted castle.

Topic

We explored what an evacuee would need to pack for their journey to the countryside. The children asked lots of questions about evacuation and thought carefully about what a child would **need** instead of want.

Christmas Play

We now know our roles in the Christmas production- A Bundle of Joy. Please read the script and learn your line/lines ready for rehearsals. Let the acting begin!

Useful websites

We use lots of useful games and activities online and the children always ask how they can play at home. So, I have added some sites below that we have used recently in class.

<https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line>

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

https://musicplayonline.com/activities/virtual_instruments/game_files/glockenspiel/index.html

This week's Bright Bumblebees are **Imogen** and **Stanislaw**.

Have a great weekend, everyone!

Mrs Hickman ☺
