

## Legendary Lions Newsletter

Friday 19<sup>th</sup> September

### Maths

In Maths this week, we have been learning about numbers to 1000. We have been comparing, ordering and placing them on a number line. We have also been playing a game for extra practice:

<https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line>

### English

In English this week, we have continued learning and mapping out our new text, 'A Day at the Beach'. Also, we have been looking at word classes (e.g. noun, adjective, verb, adverb), and have been writing expanded noun phrases to enhance our descriptive writing.

### Science

In Science, we have been investigating whether our school lunch menu is healthy and balanced! We identified the different food groups and nutrients that were included on the menu and luckily, we found out that school lunches are balanced.

### Topic

In topic, we have continued looking at hot and cold areas in the world.

### Homework

Please try to read at least 4 times a week at home and record in reading records, practice spellings each evening and complete 15 minutes of TTRS each week. This will be checked every Friday.

Well done to Harvey, Billy, Ollie and Ebony for achieving certificates this week!

Have a lovely weekend,

Miss Higgins
