Friday 17<sup>th</sup> October

Maths

In maths this week, we have been adding and subtracting 3-digit numbers with exchanges using column method.

This term, we are focusing on practicing our 2s, 5s and 10s times tables. We have been playing fun multiplayer games, such as tug of war and tables tennis (see links below) to help strengthen our times table knowledge.

English

In English this week, we have been learning about the features of a set of instructions. We also wrote a set of instructions for other children to follow for how to sensibly line up at the end of playtime.

Topic

In topic this week, we have been learning about how humans survive in extreme temperatures. We made our own 'survival kits' and have even tried using compasses and binoculars!

Homework

Please try to read at least 4 times a week at home and record in reading records, practice spellings each evening and complete 15 minutes of TTRS each week. This will be checked every Friday.

Well done to Addie and Archie M for achieving certificates this week!

Have a lovely weekend,

Miss Higgins
