

Good afternoon Snakes!

This week in our English lessons, we independently wrote our warning stories, including fronted adverbials, expanded noun phrases and similes. We then edited, improved and shared our stories.

Our maths lessons continued to work on rounding. Working carefully, we were able to round to the nearest 10, 100 and 1,000!

During our art afternoon, we made our low relief tiles by carefully tracing our designs onto the tile and then removing layers of clay to achieve a raised 3D effect. Once the tiles are dry, the children can bring them home.

Our pupils of the week are:

Rosalie- For excellent rounding to the nearest 10, 100 and 1,000.

Rosie - For fantastic sculpting of a low relief tile.

Well done to both of you.

Please remember to allow your child to practise their spellings at home. As Year 4 children will also be required to take the government's mandatory times tables check during the summer term, practising their times tables on <https://play.ttrockstars.com/> is important. Your child is set the task of playing 25 games per week (approx 1 min per game), though as much practice as possible would be recommended to master this vital mental maths skill. Finally, please remember to remind your child to read at home for a minimum of 10 minutes per day; a mixture of reading aloud and to themselves is preferable.

Many thanks and have a great weekend,

Mr Bell
