

Good afternoon Snakes!

This week in our English lessons, we have been using AI tools to create images of our setting descriptions. We have also been planning the suspense story that we will be writing next week.

Our maths lessons have continued to focus on strengthening our overall mathematical understanding by revisiting ideas and concepts we have found tricky in the autumn term.

During our DT lesson we learn to sew with running, back and over stitches. We also began to consider when we might use different types of stitches.

Our pupils of the week are:

Annie E - For showing great skill at sewing different types of stitches during our DT lesson.

Mia - For excellent teamwork during our 'Hungry Hippos' netball game.

Well done to both of you.

Please remember to allow your child to practise their spellings at home. As Year 4 children will also be required to take the government's mandatory times tables check during the summer term, practising their times tables on <https://play.ttrockstars.com/> is important. Your child is set the task of playing 25 games per week (approx 1 min per game), though as much practice as possible would be recommended to master this vital mental maths skill. Finally, please remember to remind your child to read at home for a minimum of 10 minutes per day; a mixture of reading aloud and to themselves is preferable.

Many thanks and have a great weekend,

Mr Bell and Miss Parker
