

# TIGER CLASS

In English, Tiger class have been writing the opening, build-up and problem the shared write to support them for their version of 'Kidnapped.' They have also been identifying the language features used in the shared write and discussing the effect they have on the reader.

In Maths, Tigers have been extending their knowledge of adding and subtracting numbers using the column method. The children have been applying their knowledge of times tables to identify common factors and multiples. They have ended the week leaning about rules of divisibility.

During the afternoons, Tiger class painted their pictures of Mount Fuji and learnt about French words for sporting events. In guided reading, they learnt about the character Dr Kalmenius from 'Clockwork'. In PE they practiced their basketball skills and in RE they learnt the Hindu story of the 'Man in the Well'

Well done for earning a certificate this week to: Tilly, Betsy, Elissa, Orla, Minnie and Esmae.

Have a great weekend!

Mrs Gittens and Ms.Archer
