

# TIGER CLASS

In English, Tiger Class have been completing their shared write of their newspaper reports. The children watched a video about the impact of Storm Amy on the U.K. before planning their own report. The children have then been busy writing their reports to show what they have learnt. Tigers have also evaluated their writing using a checklist to see how successful they have been.

In Maths, the children have been developing their knowledge of fractions. Tigers have been simplifying fractions, identifying equivalent fractions and placing fractions on a number line. The children have then been comparing and ordering fractions.

During the afternoons, Tiger class have started their new topics on Electricity, The Vikings, Creation and Cosmology, Orienteering and their new class text 'The Arrival' by Shaun Tan.

They have also completed their Christmas card designs which will be coming home today with a letter explaining how these can be purchased.

Well done for earning a certificate this week to: Finley, Matilda, Alice and Sonny

Have a super weekend!

Mrs Gittens and Ms.Archer
