

## Bright Bumblebees

### Maths

This week we have tackled change! We have looked at change from 10p, 20p, 50p and £1. Please keep practising this at home 😊

Useful websites:

[Toy Shop Money Game \(GBP\) - Topmarks](#)

[Coins Game for 4-10 year olds](#)

### English

We have finally finished our wishing stories. Everyone has worked so hard to make sure that they make sense and follow the correct structure. Great work, everyone!

### Topic

We discussed why the fire of London burned for so long and why it was difficult to control. As usual, the children were brilliant historians!

We produced a collaborative piece of art too. We each had one part to colour in and then we put all of our pictures together to create a giant piece of art:

This week's Bright Bumblebees are **Zach, Addison, Sophie and Freddy.**

Have a great weekend!

Mrs Hickman 😊
