

Legendary Lions Newsletter

Friday 23rd January

English

In English this week, we have been working incredibly hard to innovate 'A Tale of Two Robots' and write our own versions. We have had some amazing ideas and have been working carefully to make sure that we have punctuated our dialogue correctly within our stories!

Maths

In maths this week, we have been dividing a 2-digit number by a 1-digit number using a place value grid and flexible partitioning to help us.

This term, we are focusing on our 3-, 4- and 8-times tables.

Science

This week, we were looking at the importance of reflective clothing and how they work to help keep us safe. We have designed our own hi-vis jackets for road safety at night using reflective materials.

Topic

This week, we have been learning about why the River Nile was so important to the Ancient Egyptians. We looked at a variety of reasons, such as farming, fishing and transport.

Homework

Please try to read at least **4 times** a week at home and record in reading records, practice spellings each evening and complete **15 minutes** of TTRS each week. This will be checked every Friday.

Well done to Archie M, Billy, Arlo, Archer and Hugo for achieving certificates this week!

Have a lovely weekend,

Mrs Wall
