Frogs - Willis
Otters - Connie

Well done everyone!!

FAMILY LEARNING MENTOR

This year, thanks to our academy trust, we have been able to employ a member of staff in a new role! Mrs Youngman will be a 'Family Learning Mentor', working with our families to support with issues such as attendance, punctuality, parenting support and signposting parents to other organisations where appropriate. As Mrs Youngman gets to know some of our families, this should help strengthen the partnership between school and home even further and provide encouraging support throughout the year.

Whole School at The Regal for the panto 'Dick Whittington'

Thursday 17th December

Christmas Service at St Mary's Church 9.30am

Friday 18th December

Teacher Training Day

WELCOME BACK!

Welcome back to a new school year everyone! Thank you so much for ensuring the children attend in their correct uniform and with the correct things that they need. If you are ever unsure of anything, please simply ask your child's class teacher and they will be happy to help!

Most children have returned to school excited and ready to learn. Please don't worry if your child seems a little reluctant initially. They have had 6 weeks off with less routines and different bedtimes. They will be tired initially and may be a little apprehensive about 'moving up' into their new class. It is important that you stay positive and encouraging in this situation, supporting them with establishing clear bedtimes at home and things will soon settle down and become 'normal again'. If you have any concerns about your child settling in, please do not hesitate to ask myself or your child's class teacher.

Thank you all for being so patient and understanding with regards to our School Money system and Google Classroom. We were upgraded to the 'Cloud' by our academy trust in the summer holiday and, inevitably, there have been a few teething problems! Hopefully, by Monday you will be able to use School Money to book and pay for school dinners online again and we are hoping that Google Classroom will be up and running ready for next week's newsletters. Please remember that both the main school newsletter and your child's class newsletters are always published on our website every Friday afternoon as well, so you will be always be able to keep up to date with all information.

This will be my last term at Tenbury Primary before I retire at Christmas and I am already impressed by the children's enthusiasm and commitment to join our Eco Warriors, Worship Crew and School Council. We even have a new Crochet Club starting at lunchtimes!

I look forward to working with you all again this term, as we build on all of our previous successes and show, once again, what a wonderful school Tenbury Primary is!

Mrs Phelps

ONLINE SAFETY NEWS

Please see link below for a short (2 minute) video on establishing family tech rules and tips on how to use AI.

<https://www.knowsleyclcs.org.uk/wp-content/uploads/2026/08/09-2026-Back-to-school-and-AI-Sept-2026.mp4>

In addition, our online safety newsletter for September is now on the school website in the usual place - 'Families/E-Safety Advice'. This month there is excellent information around concerns about AI-manipulated images. There is also important advice around Youtube, what to be aware of and how to supervise your child's account.
