Dear Parents and Carers,

As you are aware Mrs Phelps will be retiring at the end of this term. We therefore have been looking for our next Head teacher to lead the school. Following a recent recruitment process I am delighted to inform you that we have appointed Miss Katie Froggatt as our new Headteacher, starting in January.

Miss Froggatt is both an experienced teacher and leader in Primary education as well as being local to our area with a love of and knowledge of Tenbury Wells and surrounding area. Many of the children have already met her and Miss Froggatt was so impressed by the warm welcome they all gave her.

I know that Mrs Phelps will work with Miss Froggatt to ensure that a smooth transition takes place and that you will be seeing her around school soon. Meanwhile I thank you all for your continued support of our wonderful school

With best wishes

Mark Yarnold
Chair of Governors.
