Thursday 17th December
Christmas Service at St Mary's Church 9.30am
Friday 18th December
Teacher Training Day

School Games Gold · Outstanding · Ofsted Good Provider · Safer School · Healthy School

DATA COLLECTION SHEETS

We have sent home today a data collection sheet for every child. It is important we have all the correct information on file for your child. Please check all the details, make any changes and return to the school office asap.

Many thanks.

ROAD SAFETY

Just a reminder to everyone that, now we are in October, the nights are drawing in and days getting shorter. If your children are old enough to be walking out and about independently, please remind them of basic road safety rules and the importance of wearing reflectors on bags/coats and staying on the pavement. It is also a good opportunity to remind them of 'Stranger Danger' awareness and the importance of never accepting lifts from strangers etc.

LATES

We have seen a small increase in the number of children arriving late to school. Please remember that doors open at 8.45am and the register is taken at 8.55am. If children arrive after this it is unsettling for both them and the rest of the class.

A new 'late form' has now been introduced across our academy trust, therefore anyone arriving late to school from Monday, will need their parents to complete a form in the school office that morning.

ECO WARRIORS

We have a new group of KS2 pupil Eco Warriors who have volunteered for the Autumn Term. They are settling into their new roles, enthusiastically litter picking, making recycling posters and turning classroom lights off! They have also decided that they would like to celebrate 'Just One Tree' Day again this year. This is next Friday 16th October. This will be a non-uniform day, where children (if they would like to) can wear tree-coloured clothes, clothes with leaves, flowers etc or even have face paints/hair designs linked to trees. For every £1 that children bring into school, the 'Just One Tree' charity will plant a tree somewhere in the world. Therefore, bringing in £5 means that 5 new trees will be planted!

Eco Warriors are really excited that we have a chance to support tree planting globally, so come on everyone - lets make a difference! See link below for more information.

https://www.justonetree.life

SCHOOL LUNCHES

If we have any outstanding payments for school lunches at the end of each week these will be added to School money. We would appreciate it if any outstanding lunch payments are paid a.s.a.p. Failure to pay will result in your child having to bring a packed lunch and not be allowed to have a school lunch.

Many thanks for your support.
