## WHAT

There are 20 spooky characters hanging around the town getting ready to jump out the buildings on Teme Street and Market Street. Can you help calm them down by spotting their faces through the window to identify the Halloween phrase?

## WHEN

Saturday 25 October to Saturday 1 November (excluding Sunday)

## WHERE

Collect your FREE Trail sheet from Tenbury Wells Tourist Information Centre (TIC) located at 48 Teme Street.

Please return to collect your prize before they close. The TIC is open 10am-4pm.

Trail sheets are also available from participating shops. If you dare to enter, you'll be rewarded!

As you stroll through the town centre, have fun spotting the Halloween-themed masks on display in shop windows – these have all been decorated and coloured by children attending local primary schools. The children have done an amazing job – so creative and spooky!

## FIND THE LETTERS AND GUESS THE PHRASE

There are 8 stickers to collect, find them at participating businesses!
