The school nurses will be back in school on
9th December

Lumi Nova: Tales of Courage is a digital therapeutic mobile game supporting children with fears, worries and anxiety. Designed for children aged 7-12 years, Lumi Nova helps children to reflect on their feelings, build resilience, and learn lifelong skills to self-manage their worries in a fun intergalactic adventure. Lumi Nova is instantly accessed to families in Herefordshire and Worcestershire by signing up at

Since launch, over 1200 families have accessed Lumi Nova in Herefordshire and Worcestershire to support their child to self-manage their fears and worries!

PARENT/CARER VIEWS

As it is the start of a new academic year, it is a good time to reflect on the previous year! Your views are important to us and our Governors always complete an annual survey to find out what works well and is appreciated and what could perhaps be improved even further in the future. The results of the Governor Survey to parents/carers for 2025 are on the school website in the usual place - go to 'Parents' and then 'Parents Views'. We always add a response explaining why things are done in a certain way or why some ideas can or can't be achieved, which hopefully you find helpful. Governors will be completing their next survey in the Spring of 2026 but please don't feel that you need to wait until then to give feedback, as it is always useful!

YEAR 5 & YEAR 6

Please see the link below for a useful resource you may want to look at with Y5/Y6 pupils. This resource was developed with the Childnet Youth Advisory Board and is designed to help you identify what you can or cannot trust when you go online. It features accounts, posts, articles and comments that have been created to replicate things you may see online, including suspicious or misleading posts.
