## AI chatbots: parent/carer fact sheet

Please see separate document about AI chatbots. AI chatbots are computer programs that aim to act like humans. They answer questions and engage in conversation. Chatbots usually work through typed messages, but some can create images or use voice and video. Around two-thirds of children aged 9-17 are using Chatbots, so you may find the guide really useful as it covers safeguarding risks and what you can do at home to reduce these.

'What I wish my parents or carers knew...': A guide for parents and carers on managing children's digital lives

Parenting today can feel overwhelming — especially when childhood looks so different from what we grew up with. There's no manual, and it can be hard to keep up with the fast-changing digital world your child moves through every day. This guide aims to make those conversations easier and help you support your child with confidence. There are videos and an action pack to share with your child.

## WEBSITE CHANGES

From Monday 26th January, our School Website will have an exciting new look!

All DHMAT Schools will now have the same website template, ensuring consistency across our academy trust.

The web address and any links you have saved will remain exactly the same and the information on there/the variety of web pages are also the same - they may just be in a slightly different place!

To find the School newsletters, go to -

☰ at the top for menu and then go to 'News' or from the homepage, simply scroll down to 'News'

## ONLINE SAFETY SESSION FOR PARENTS/CARERS WEDNESDAY 28TH JANUARY - 9.30am-10.15am

Guide to online gaming - this will include latest trends and emerging threats and will focus on developing your understanding of online gaming, the associated risks and steps we can take to support our children.
