Dragons - Aubrey
Leopards - Eden
Bumblebees - Chloe
Lions - Harvey
Snakes - Darcey S
Penguin - Stan
Tigers - Sophie

Well done everyone!!

YEAR OF READING

Week 3 - Every Child Is a Reader

There is no single "right" way to read. Picture books, comics, graphic novels, fact books and audiobooks all support literacy development.

At home: Celebrate your child's reading choices—interest builds motivation.

Recommended read: *Who Ate All the Bugs?* by Matty Long — fun non-fiction for curious learners.

Week 4 - The Power of Reading Aloud

Reading aloud helps children understand tone, expression and meaning.

It also strengthens listening and attention skills.

At home: Continue reading aloud, even when your child can read independently.

Recommended read: *The Goat and the Stoat and the Boat* — quirky and joyful.

Tenbury C of E Primary Academy

Teacher Training Day

Half term - 25th May - 29th May

Monday 1st June

Children back to school

Friday 17th July

Last day of term

New SEND Newsletter for Parent Carers

Worcestershire are pleased to share their refreshed SEND newsletter, published on behalf of the Local Area Partnership (Worcestershire County Council and NHS Herefordshire and Worcestershire). See message below:

'The newsletter is designed for parent carers and practitioners and includes updates on services for children and young people with SEND, along with progress against our improvement plan. Parent carers told us they wanted a clearer, more professional newsletter delivered through a modern platform. In response, we are now using Mailchimp to make our updates easier to read, access and share. We encourage practitioners to sign up to receive the newsletter as a quick and convenient way to stay informed about the information being shared with families, so you can support conversations and explain any recent changes.'

You can read the latest edition here: <https://mailchi.mp/2a073bcafe30/send-news-and-updates-february>

Sign up to receive future editions here: <https://mailchi.mp/29762dd2ed71/send-news-and-updates>

WORLD BOOK DAY!

What a wonderful day we had! Thank you to parents/carers for helping the children with their amazing costumes again! The children spent the day doing lots of different book-related activities in mixed age groups, moving around the different classrooms. Well done everyone!

ONLINE SAFETY NEWSLETTER

The online safety newsletter for March is now on our school website - Families - E-Safety advice. The focus this March is on mobile phones and the risks including:

- Viewing inappropriate content
- Excessive screen time which effects mental health & sleep
- Contact from inappropriate people/grooming
- Cyberbullying
- Spending money on in-app purchases/scams

This week in school, it has been flagged up that a lot of children are playing a game on Roblox at home called 'Stop the Brain Rot'. The whole purpose of this game is to 'steal' from each other. As you can imagine, this is causing arguments amongst children who have been 'scammed' or 'tricked' by their friends in the game, which have started to spill over into school. If your child is on Roblox, it is important to check what they are playing and how it may be affecting their relationships.

CLASS ATTENDANCE OF THE WEEK
