

YEAR OF READING

Week 23 - Reading During Busy Weeks

All reading counts—even short moments.
 At home: One page, one label, or one sign still matters.
 Recommended read: *Captain Superlap* — quick & fun

Week 24 - Reading in Different Places

Reading outside the classroom keeps it exciting.
 At home: Read at the park, beach or café.
 Recommended read: *Not a Box* by Antoinette Portis — imaginative story perfect for reading anywhere.

CLASS ATENDANCE OF THE WEEK

1st June 2026 - 5th June 2026

16th July 2026

PTFA Leavers Disco

17th July 2026

9.30am Y6 Leavers Service at St Mary's Church

Last day of term

Cases of measles are rising in our area.

Here's some helpful advice from our Public Health colleagues on what you need to know.

- Measles spreads very easily. In some cases, it can make you very ill and lead to serious health problems if it spreads to other parts of the body, such as the lungs or brain.
- Check the list of symptoms below to know what to look out for. If you think you or your child may have measles or any of the symptoms, call your GP surgery or NHS 111 first, before turning up at a healthcare setting. This will help to stop the virus from spreading.
- Having the MMRV or MMR vaccine is the best way to prevent yourself from becoming very ill.

Ask at your GP surgery if you're not sure you or your child has had either of these vaccines. Your GP can vaccinate you for free on the NHS.

If any school aged children have missed their MMR vaccination or any vaccination given at school, parents can contact the Vaccination Team who will help arrange for the missed vaccinations to be given: 01905 390030.

For more information on the symptoms, vaccination, and what to do if you think you have measles or have come into contact with someone who has measles, please visit: <https://www.nhs.uk/conditions/measles/>

ONLINE SAFETY

Our monthly online safety newsletter for June is now on our school website in the usual place - go to the Menu/Families/E-Safety advice.

This month the focus is on online scams which can happen across a lot of platforms such as Roblox, Tik Tok or messaging apps. There is also a feature on the risks of auto saving, such as images in Whatsapp.

There is also a useful link to emoji meanings. Some children and young people may be using emojis to mean something completely different. It is important that parents/carers are aware of how emojis can be used and keep up to date with changes.

Finally, there is a helpful video on the theme of 'Online Scams and Digital Footprints' - simply click on the below!

<https://www.knowsleyclcs.org.uk/wp-content/uploads/2026/05/Scammers-and-Digital-Footprints-June-2026.mp4>

PARENT/CARER VIEWS

Thank you all so much for taking the time to complete our Governors' Questionnaire at Parents' Evening. The results were extremely positive with 99% of parents saying their child is happy at school, 99% of parents saying their child is making progress, 100% of parents saying their child feels safe in school and 100% of parents saying that the school is well led and managed.

Your feedback is always very important to us, so please continue to take part in these surveys and/or contact us at any time with your ideas. The full survey results are on our school website and on Google Classroom this week.

Please take a look!
